Contact list for train path harmonization through border points between

ÖBB and ŽSR

1.2) The responsible team for all short-term trains, short-term special trains and ad-hoc trains is:

Ordering deadlines for interim traffic taking into account changes in the annual time-table by means of change book (always valid in a monthly cycle from each 1st Monday, if a working day, of the month):

- Ordering period around 5 weeks before coming into effect from 1st Monday, if a working day, of a month
 - Ordering of interim passenger traffic:
 - Network Access / Marketing & Sales / Key Account Management for passenger traffic: Mr. Andreas Zeiler (Tel.: +43 1 93000 32188, E-Mail: andreas.zeiler@oebb.at)
 - Ordering interim freight traffic:
 - Network Access / Marketing & Sales / Key Account Management (Tel. +43 1 93000 35607, E-Mail: rudolf.dolezal@oebb.at)

Ordering periods for interim special traffic (commissioning by means of traffic advice)

- Ordering period 2 months before running if possible
- At the latest 2 weeks before running as standard
- In exceptional circumstances up to 1 working day before running
 - Ordering of interim special train traffic:
 - Network Access / Train Path Management / Interim Passenger Traffic team (tel.: +43 1 93000 34916)
 - Ordering of interim special freight traffic:
 - Network Access / Train Path Management / Interim Freight Traffic team (Tel.: +43 1 93000 50503)

Ordering periods for ad-hoc traffic (PA 722.41)

Due to the short notice the following responsibilities exist:

- For traffic for the same day 00:00 – 23:59 – ordering from the responsible regional traffic control (RTC)
- For traffic after unforeseen route closures for the current day and for a maximum of the next three office days from network access - ordering from the responsible regional traffic control (RTC)

⌚ RTC East	Tel.: +43 1 93000 38131
⌚ RTC North	Tel.: +43 732 93000 3603
⌚ RTC Central	Tel.: +43 662 93000 3603
⌚ RTC South	Tel.: +43 4242 93000 36030
⌚ RTC West	Tel.: +43 512 93000 451
